

HLHS Letterman Jackets can be purchased by any choir member who is part of an auditioned choir. Orders will be taken once a school year. The jackets will come without the choir letter, but will have “Horn Lake Chorus” on the back and students can choose to have their name and/or choir name embroidered on the chest and/or their graduation year on the sleeve. Once a letter is earned, it can be added to the jacket.

A “letter” on a letterman jacket is an honor that signifies a distinct level of achievement in a specific extracurricular/sports activity. Letters will be awarded to choir members in the spring. The requirements for earning a letter are listed below:
