Greetings everyone! First let me start by saying how much Mr McDowell, Mr Wortham, & I miss you all! We hope everyone is doing well! We have some wonderful news! Mr McDowell will be remaining with us next year!

I will be preparing some vital information for you regarding our Orlando trip and our classes for next year. I hope to have all details worked out and in your hands by the end of next week.

For now, I wanted to clear up something that is about to happen to your current schedules. Those JC & CF members who are not ensemble members, you have choir listed as a fifth period class this semester. Due to the crazy situation that we are in, Mr Orr will be removing that from your schedules & those grades will be disappearing. He is having the counselors leave you in the class if you have a grade of an A or B. If you have a grade of a C, you will be contacted and asked if you wish to drop or not.

I cannot explain it because I do not totally understand. I just know that the Mississippi Board of Education is asking for a list of things to be done by each school in the state and this seems to fall into that category.

I hope that everyone will still work on SRF. I will post exercises weekly for those that want to challenge yourself. Please know that the **choir placements for next year will be solely on SRF** since we will not be able to have our regular audition process.

Please check your Remind daily! I am sending links to some of my favorite songs every day of the week, but more importantly, it is the only way we can communicate with you! If you have not been receiving messages from Remind, please check your settings & also let your section leader know!

Although we are not going to be able to have our choir banquet, we are still going to **honor our senior choir members**. We are going to make a video of pictures like we normally do, but this year we will add some well wishes clips to our seniors. Think about making a clip about a senior or two. I will have details next week on where to send it & any photos you may want to submit! I will list our seniors below so we do not miss anyone! Keep the videos at 30 seconds so we can have many for each senior!

Please check in with each other. Some are having a hard time and need their choir family to remind them that we support each other. Stay healthy! Use this time to enjoy things we are normally too busy to enjoy! Call if you need anything! 901-212-2949 (HB)
