

# *Fantasy Choir League*

## **WHO IS ON YOUR TEAM?**

Do you have those friends outside of choir that you know would be an amazing, contributing choir member?

If you were putting together a group of singers for America's Got Talent, who would you choose?

## **DO YOU HAVE WHAT IT TAKES TO BE THE ULTIMATE FANTASY CHOIR WINNER? HERE IS YOUR CHANCE!**

Come up with a list of HL students that you would choose to be a part of your ultimate singing group! All HL students who are currently in grades 6-11 but are not currently in choir are eligible!

Legibly list his/her name, grade, & (if you know) first period/block teacher on the back of this sheet.

The following process will be used to determine the Fantasy Choir League Winner:

- The 'fantasy team members' will receive a personal invitation from Beck/Brasher to attend auditions
  - If a team member appears on more than one person's list, he/she will still receive an invitation to audition, however none of the current choir members will receive credit for that person'
- The Fantasy Team Winner will be the choir member who has the most people from his/her list audition & placed in a choir.

The winner will have his/her choir expenses (trips & honor choirs excluded) covered next year AND have his/her name added to the "Fantasy Choir Winner" display in the choir room!

All team sheets will be due by Wednesday, April 18th
