

6th Grade Choir

6th Grade Choir Details

- ★ Sixth grade choir meets daily throughout the school year. This will not interfere with those who are interested in band or any sports!
- ★ Sixth grade choir is a learning group to help singers prepare for the seventh & eighth grade choirs. It is also a great way for students to adjust to middle school by having a core group of peers that they see daily. Choir members will also have expectations placed on them that will assist in reinforcing responsibility in every class, not just choir.
- ★ Performances will include the Christmas Concert & Spring Concert. Additional performances may be added later. Performance apparel will be black pants (no jeans please) and black closed-toe shoes (& black socks if applicable).
- ★ Sixth grade choir members are asked to pay \$15.00. This cost covers their performance T-Shirt and helps with the cost of music and accompanist expenses. This will be due the first two weeks of school in August.
- ★ Some sixth grade choir members may also have the opportunity to audition for the 2022 Mississippi All State Honor Choir; a three day event that takes place in March in Hattiesburg.
- ★ More information about the HL Choral Department is available online (hornlakechoirs.org) including director biographies, photos, and trips. Our Facebook & YouTube links are accessible via our website as well. A calendar will be posted for the school year by July 1st.
